

27th September 2021

Dear All Parents/Carers,

Further to my communications with all parents last week, in particular the information given regarding the Vaccination Programme of 12-15 year olds, please find attached a further detailed letter jointly from the Director of Children's Services and the Director of Public Health.

I hope the attached letter gives you clear information and guidance of the vaccine programme following the Government announcement on the 13th September 2021.

The letter informs you that schools are solely a venue for these vaccinations. Schools are not responsible for these vaccinations. If you have any further questions after reading this information, please **do not** contact the school. You can contact the Vaccine Enquiries Team - email sxccg.vaccineenquiries@nhs.net or call 0800 433 4545 (open 9am – 4pm, Monday to Friday).

Our confirmed vaccination dates for Ark Alexandra Academy are;

Wednesday 13th October – Helenswood campus (Lower school)

Wednesday 20th October – William Parker campus (Upper school)

You will receive further clear instructions and FAQs from the NHS Vaccine Programme Team regarding consent. We hope to have this information to you all within the next few days.

Yours faithfully,

A handwritten signature in blue ink, appearing to read 'Liam Collins'.

Liam Collins
Principal

Attachment: ESCC letter to parents & carers

Principal: Mr L Collins
Network Associate Principal: Mr J Scafe
