Re: Students in Years 7, 8 9 & 11 and Sixth Form (Years 12 & 13) – currently isolating

We know that this is a worrying time for our Alexandra community and the wider Hastings community. Here at Alexandra, we are dealing with a fast-moving situation as quickly as we can. We are balancing the need to keep everyone as safe as possible while recognising that the best place for our young people is in school and learning. We must all follow the guidance we receive from Public Health England. When a bubble is told to self-isolate, this means every single student **must** isolate for the given length of time, even if your child says they didn't mix with the student with a positive Covid result.

You can support your children by making sure they are keeping up with the work set. If you have any issues getting online, please contact their Head of Year;

Mr Sully – Year 7 s.sully@arkalexandra.org

Ms Scott – Year 8 k.scott@arkalexandra.org

Mrs Hodgkin – Year 9 d.hodgkin@arkalexandra.org

Mrs Deeprise – Year 11 k.deeprise@arkalexandra.org

Years 12 & 3-Sixth Form contact:- Miss Kirk a.kirk@arkalexandra.org

In simple terms, the best thing you can do with students in Years 7, 8 and 9 is to encourage them to read. For Years 11, 12 and 13 support them to use Show My Homework and complete the work that has been set. They can work on paper or type their work. They can send photographs of completed work to their teacher, via email or through Show My Homework.

We will get through this difficult time together. Thank you again for all of your support.

Kind regards

A handwritten signature in blue ink, appearing to read 'Liam Collins'.
