Dear Parents and Carers,

Year 10, 11 and Sixth Form Easter Revision sessions

After completing the latest round of mock examinations, we are now in the final straight to the summer exams. As a result, every minute now becomes even more important and as such we are running more revisions sessions during the Easter break. The sessions are intended to further support the students in not only maximising their grades but to prepare them for the GCSE/A Level exams.

Please see below a timetable of the different intervention session that are available. Unfortunately, as there are limited members of staff available for the revision sessions, we must limit the number of spaces on offer. **Therefore, spaces will be on a first come first serve basis.**

If you would like your son/daughter to attend any of these sessions either complete the following form- [Easter Revision sign up](#) or email me at g.morris@arkalexandra.org. When you sign up, assume that you have a place. You will only be contacted if there are no more spaces. Once the sessions are filled, the choice will no longer be available on the sign-up sheet.

Students will not be required to be in school uniform but will be expected to be on the school site for the entirety of the session. They must enter via the main entrance. The classrooms are indicated in the timetable below.

If you have any questions, please do not hesitate to contact me.

Kind regards

Mr G Morris
