

Dear Parent/Carer,

Enrichment offer Years 9, 10 and 11 - Terms 5 and 6

I am delighted to enclose the list of enrichment activities for the coming term. Our enrichment offer has been designed carefully to further complement our curriculum and offer your child opportunities to develop new skills, find new talents or simply enjoy learning something new.

Your child has had an assembly and will have time in tutor sessions based around the new offer. Although enrichment is not compulsory, we very much recommend that your son/daughter attends at least one after school activity. Activities will continue to run on a Monday through to Friday. The timings will be 3:15-4:15pm. The new programme will start on the week beginning 25<sup>th</sup> April.

We have recommended that your son/daughter chooses just the activities that they wish to participate in. Please sign and return the slip below, indicating your permission for your child to attend the activities that they have selected. Every effort will be made to meet your child's choice and if unsuccessful a discussion will be had, and another option offered. Activity places will be on a first come basis for the more popular choices. It is likely that some further activities will be offered in Term 6.

If you have any questions in relation to the programme, please do not hesitate to contact me on:

I very much look forward to welcoming your son/daughter to their new round of activities. Forms are to only be returned if your child is taking up an enrichment option. Forms are to be handed in to tutors or direct to Mr Morgans.

Yours faithfully,

Gareth Morgans
