

Dear Parent/Carer,

Enrichment offer Years 9, 10 and 11 Terms 1 and 2

I am delighted to enclose the list of enrichment activities for the coming term. Our enrichment offer has been designed carefully in order to further complement our curriculum and offer your child opportunities to develop new skills, find new talents or simply enjoy learning something new.

Your child has had an assembly and will have time in tutor sessions based around the new offer. Although enrichment is not compulsory, we very much recommend that your son/daughter attends at least one after school activity. Activities will continue to run on a Monday through to Thursday. The new timings will be 3:15-4:15pm. The programme will start on the week beginning 27<sup>th</sup> September, although the sports clubs have already begun. Students will get to change activities if they wish again in January.

We have recommended that your son/daughter chooses just the activities that they wish to participate in. Please sign and return the slip below, indicating your permission for your child to attend the activities that they have selected. Every effort will be made to meet your child's choice and if unsuccessful a discussion will be had, and another option offered. Activity places will be on a first come basis for the more popular choices.

If you have any questions in relation to the programme, please do not hesitate to contact me on: [n.burchell@arkalexandra.org](mailto:n.burchell@arkalexandra.org)

I very much look forward to welcoming your son/daughter to their new round of activities. Forms are to only be returned if your child is taking up an enrichment option. Forms are to be handed in to staff on the school gate or their tutor.

Yours faithfully,

Nicholas Burchell  
Assistant Principal
