Exploitation – final 4 sessions

Do Now – Read:

Over these next few sessions we will be looking at exploitation. We will watch video clips and then reflect on what has happened.

This gives us the opportunity to learn from the actors in the video and know where we can get help and support from.

- Ryan pays her compliment and gives her a can of drink.
- Ryan, Chloe and Ash seem fun and are nice to her

What is wrong with the way Ryan treats Lauren?

- He touches her inappropriately ('nervous game') and takes her belongings.
- He tries to blackmail her by offering to trade her phone for a kiss.
- He uses compliments to pressurize her.
- Ryan is trying to exploit Lauren.

Why does Marcus have the highest status in the group? How does he keep it?

- He owns his own flat and is older than the others.
- He uses threats, gifting, compliments, orders pretend humour to put others down

Why does Ryan eat the salsa? Does he have a choice?

- He feels threatened and controlled by Marcus.
- He does have a choice, but feels he doesn't; he doesn't want to lose Marcus' favour, or his place in the group.
- No-one else in the group backs him up.

EXPLOITED: PART 3

Why is Lauren worried about Chloe?

- She is concerned that she is in a relationship with two boys at the same time.
- Chloe is only 14
- Lauren could tell from Chloe's body language that she didn't want to have sex with Marcus.

Marcus' behavior is criminal on several counts. First, Chloe has been pressured or threatened into having sex with him; this means she could not give consent. Second, in any case Chloe is under 16.

EXPLOITED: PART 3

Where does Lauren find help?

- She seeks advice from Sophie.
- She reads information online (thinkuknow.co.uk)
- She could also get help from 'CHILDLINE' 08001111

Why was Sophie angry with Danny? How do they make up?

- He is disrespectful by dropping her hand when his friend comes over.
- She forgives him because he apologises, and is open and honest about why it happened.
