A big thank you to Kate at Make Food UK for all your support of our students in their after-school Cooking Club.
Year 7 have been learning about Gargoyles and developing design and construction skills this term. Using a mixture of cardboard, wire and papier mache pulp over our milk bottle base our designs are coming to life!
An emotional farewell to our amazing Year 11 students who have worked so hard and done so well. We will miss you all.
Year 10 Food students celebrated reaching the end of year 10 by baking some delicious celebration cakes!
Our Helenswood Reunion was attended by students of the school as long ago as the 1940’s. So many stories of the school’s past were told and we are proud to be continuing the history of the school at Ark Alexandra Academy’s Helenswood Campus.
Our journey continues and we are excited for the future of our school, its staff but most importantly, our students.

Have a wonderful break and we look forward to everyone’s return to Ark Alexandra Academy in September.
