

Dear Parent/Carer

RE: Route to 30 consecutive days attendance (we start to record from Thursday 9th September)

I write to announce that we will be celebrating students who are on track to achieving 100% throughout the Autumn term as a starting point. As the colder and darker weeks draw in, it is even more important that our students persevere to ensure they're in school.

Students who continue to have 100% attendance will be celebrated at school with various rewards in place for them.

We will of course take into consideration students who have had their attendance disrupted due to any significant authorised illness or injury and will work with those families to ensure they are not penalised where applicable.

Let the competition begin!

Yours sincerely,
Mr Scafe
Associate Principal
Ark Alexandra Academy
