

Year 11 Foundation Revision List

Go on to www.sparxmaths.com, login and then click on the independent learning tab found at the bottom left-hand side of the screen. This will open a new page, make sure you select 'GCSE' in the 'Your Curriculum' drop down box and then type in the following U codes to find the topics you need to revise:

Topic	Sparx Code
Time Conversion	U902
Simplifying	U105 and U662
Reflection	U799
Place value	
Ordering fractions, decimals and percentages	U594
Pictograms	U506
Bar charts	U363 and U557
Sequences	U498 and U978
Fractions: Four operations	U736, U475 and U544
Probability	U510
Substitution	U201
Estimation	U225
Compound measure: Speed, distance and time	U151
Scatter graphs	U199 and U277
Proportion: Recipes	U721
Percentage increase and decrease	U773
Stem and leaf diagrams	U200 and U909
Solving inequalities	U759
Product of prime factors	U739 and U250
Standard Form	U330, U534, U290 and U264
Angles in polygons	U427
Percentages to fractions	U888
Metric conversion	U388
Ordering decimals	U435
Scale drawing	U257
Square numbers	U851
Multiples	U751
Writing fractions	
Using a calculator	U926
Angles in straight lines	U390
Conversion graphs	U638
Ordering fractions	U746
Pie charts	U508 and U172
Frequency trees	U280
Inequalities	U509
Quadratic graphs	U989
Pythagoras' theorem	U385
Trigonometry	U545 and U283
Solving quadratics	
Reverse percentages	U286
