

21st October 2022

Dear Parents and Carers,

The year 12 Maths and Science students have the exciting opportunity to attend a STEM convention at Benenden School on **10th November 2022**. This is an excellent opportunity for the child in your care to work with students from independent schools and listen to keynote speakers such as Dr Maggie Aderin-Pocock. Attendance would be a great addition to your child's personal statement and universities look for students who have widened their experiences in the subjects they may go on to study further.

We will need to leave school at 8:30am and will be returning at approximately 5 pm. We will be travelling by coach and we require your permission to transport students to and from the venue and we will require a payment of £13 by ParentPay towards the cost of the coach. We have 30 spaces available and will be offered on a first come first served basis.

I would be grateful if you could give permission for them to be photographed or filmed if they are asked, or if they are captured in the background of a shot. You will need to provide them with a packed lunch and cold drinks (no glass bottles please).

Yours sincerely

H Suggitt[Mrs]
Maths Faculty – Trip Leader h.suggitt@arkalexandra.org

Please detach and complete the reply slip below and return to the school office on 1st November. (a copy of this letter is on our website- <https://arkalexandra.org/life-school/letters>)
