

Dear Parent/Carer,

I would like to congratulate the Year 7s for a great first term in Secondary school. The students have adapted so well to a new school especially after a national lockdown. They have shown faith in their ability to be resilient. They have shown kindness towards others in making new friends and building relationships with members of our school community.

To ensure we can continue with this excellent start, we are setting up a Homework Club for Year 7s on a Thursday after school starting next term. This will run from 3.15pm – 4.05pm in the library. Students will be able to use the space and computers to complete their homework if they do not have access to a computer or the internet at home. A member of staff will be present to give help if needed, this will usually be myself.

As this will be a working space, school rules will still apply. Therefore, students are expected to work quietly, mobile phones are not to be used in this space and there will be no eating/drinking in the library. If these rules are not followed, the student will be asked to leave.

We want to ensure our students achieve excellent progress whilst with us at Alexandra Academy, and hope access to this facility will allow for this. The first session will be on Thursday 6th November 2020.

If you have any questions, please do not hesitate to contact me at [S.Green1@arkalexandra.org](mailto:S.Green1@arkalexandra.org).

Yours sincerely,

Miss Sophia Green  
Director of Progress – Year 7

Principal: Mr L Collins  
Regional Associate Principal: Ms V Cockram  
Network Associate Principal: Mr J Scafe
