Dear Parents / Carers of Year 9 students

Re: Year 9 return to school & lateral flow testing

I hope my letter finds you and your families well and that you have all enjoyed the summer break.

I write to you today in regard to my last letter to all parents at the end of the summer term to inform each year group as to the details of testing and returning dates/times. I will also update you in regard to the COVID-19 arrangements we will have in place at the start of the new autumn term and I attach a separate 'information fact sheet' which details these updates/key changes.

The schedule below shows what time Yr 9 students should arrive on Wednesday 1st September for their first lateral flow test. Year 9 will be required to attend the William Parker Campus, Park Avenue TN34 2PG for their testing. Once students have had their test, they can then leave site. The result of their LFT will be sent via email/text to parents/carers as per the information provided in the consent form.

To provide consent you are asked to do so using the MCAS parent App (<https://bit.ly/3eJGkOA>) or by completing this form at <https://forms.office.com/r/JXR8hC99b7>.

We ask that students arrive for their LFT in their **school uniform**.

Please ensure your child has a face mask to wear when entering the test centre.

For testing, Yr 9 students arrive on 1st September, via the main entrance at Park Avenue (William Parker Campus), they will be directed to the Old Gym building to the left of the entrance or to the Canteen via the main Reception entrance. Their consent information will be checked with them at the Registration process. They will then be directed to a booth where they will be given verbal instruction as to how to carry-out their lateral flow test.
